Sign up for eStatements

A no-cost, faster, more convenient alternative to paper statements.

In light of rising expenses and in an effort to control credit union expenses and improve services, LISEFCU will start charging members who receive paper statements, a \$1.00 paper statement processing fee effective August 31, 2013.*

As an alternative to receiving paper statements in the mail, we encourage you to sign up for eStatements through our online banking program. Contact the credit union at 631-291-9160 to sign up for this free service today!

What are the benefits of eStatements?

Free- eStatements are a free service of the credit union.

Green- Get rid of an extra piece of mail in your mailbox each month. eStatements are environmentally friendly.

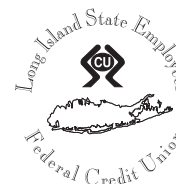

Easy- Access your eStatements directly through your online banking account.

Fast- No waiting for the mail to arrive. Your eStatement is available the first day of each month.

Safe- Paper statements are only as secure as your mailbox. eStatements help reduce identity theft.

Savings- You are an owner of the Credit Union. Paper statements printing and postage are very costly. eStatements allow the Credit Union to return more money to members in the form of more services, better rates and lower fees.

*Does not apply to youth accounts under 18 years of age
